DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lisa Haile on 15 December 2005.

The application has been amended as follows:

In the last line of claim 5: Delete "reducing neurological inflammation in the subject" and insert therefore --providing neuroprotection to the subject--

Examiner's Comments

The Examiner's amendment to claim 5 served to clarify the claim.

Furthermore, it is noted that the Office Action of 30 June 2003 (at page 2) indicated the information disclosure statement filed 21 April 2003 had been considered. However, the signed and dated IDS was not mailed with the Action. Thus, the Examiner is attaching the signed and dated IDS of 21 April 2003 to the instant Notice of Allowability.
